## Recovery Supports

**Josh & Carrie's Place** – A social-oriented program in which like-minded people unite to help individuals who choose not to use drugs and alcohol. Members participate in activities that promote community awareness and education regarding alcoholism and drug abuse in order to eliminate the stigma associated with substance abuse disorders and break through barriers to long-term recovery.

**Josh & Carrie's Place – 724-822-7951 or 724-586-2561**

**Recovery Advocates** - A grassroots recovery advocacy program whose purpose is to build skills, knowledge, and confidence for identified recovery community leaders and create awareness of and a sense of unity and connectedness with the larger recovery movement.

**Recovery Advocates – 724-431-0224**

**Recovery Project** – A D&A Drop-In program for individuals in recovery from drug and/or alcohol addiction. This program offers social/recreational opportunities and education/intervention groups for program members.
