

Tobacco Free Butler County

Tobacco Free Butler County

Cessation:

Smoke Stoppers and Freedom from Smoking Cessation Programs - available to community members and businesses wishing to offer tobacco cessation programs to their employees as part of a wellness promotion. Programs are available **free of charge**.

NOT (Not On Tobacco) Cessation Program - designed for youth, and also available **free of charge**.

Tobacco Free Butler County Coalition is an organization of local community members and organizations whose primary purpose is to educate community members on the harmful effects of tobacco use and the effects of exposure to second-hand smoke, as well as the promotion of cessation and tobacco use prevention. The coalition meets the third Tuesday of the month, 4pm, at the Butler Public Library.

Tobacco Free Butler County also provides various prevention and education programs and opportunities. These include school programs such as Project Alert, TATU (Teens Against Tobacco Use), the PA Tobacco Free Network Programs, (formerly known as BUSTED!). The coalition members are available to attend events such as Employee Wellness Fairs and other informational and/or health promotion events in the community. More specific programs are available on request.
